And they lived happily ever after. . .
Ohio Renaissance Festival presents *Enchanted Weddings*

July 13, 2009. . .Harveysburg, OH. . .An *Enchanted Wedding* at the Ohio Renaissance Festival is the perfect experience for couples interested in a Medieval or Renaissance themed wedding. Surrounded by the chivalry and pageantry of the Renaissance, couples may tie the knot in St. Peter's Chapel and enjoy an unforgettable wedding day.

The festival offers three options in the program, all filled with the essentials and memorabilia needed for a fairytale wedding. Couples may choose the *King & Queen* or the *Knight & Lady* wedding package. A few of the included items are free parking for the bridal party, bouquet, and boutonnieres, groomsmen and bridesmaids gifts, procession with a bagpiper and costumed characters, festival admission, festival food and beverage coupons, ministerial service, handcrafted calligraphy certificate, and collector goblets. The *Reception Package* may also be purchased for a private gathering which includes decorations, punch and champagne. More information is available at www.renfestival.com/weddings or by calling the festival office at (513) 897-7000.

Dreams come true for nearly 20 couples each season. Couples may have an interest in the Renaissance Era. Or, it may be because the festival's wedding coordinator is available to personally address the needs and concerns of every couple through the planning stages up to the actual ceremony. Also, the cost is significantly less compared to a traditional, modern wedding. Perhaps the most common reason is that the festival setting provides a fun atmosphere for everyone involved.

Enchanted Weddings may be scheduled in St. Peter's Chapel on festival days, Saturdays, Sundays and Labor Day, September 5 through October 25, 2009. For more information contact the festival office at 513-897-7000 or e-mail to weddings@renfestival.com.
